As the tenth edition of Peer Review Week (PRW) is on the horizon, Enago — a proud steering committee member — is thrilled to explore this year's theme: "Innovation and Technology in Peer Review". We're set to dive deep into how cutting-edge advancements are reshaping the peer review landscape, driving efficiency, and fostering a new era of scientific communication.

So, mark your calendars for an electrifying week of discovery and dialogue, running from September 23 through September 27, 2024! Here's a sneak peek on how we plan to "Innovate, Inspire, and Revolutionize" this PRW.

Innovate, Empower, Revolutionize Peer Review Week 2024 With Enago SEP Tech and trust in peer review: A conversation on Al and ethics with Jennifer Mahar SEP Improving Peer Review With Technological Innovations: A comparative analysis of AI tools 24 peer Review and Research Ethics: Insights on 25 challenges, innovations, and future directions AI-assisted Peer Review: Using innovative technologies with human oversight SEP 26 The Peer Review Journey: From manual to Alassisted review Peer Review Reimagined: Innovative strategies for SEP enhancing research quality Ethical AI and Technology in Peer Review: A comprehensive checklist for reviewers • enago academy

Prepare for a knowledge-packed week with innovators, researchers, and industry leaders to showcase the latest technological breakthroughs in peer review. <u>Sign up now</u> for our free events and join the dialogue.

But that's not all! We invite you to share your innovative ideas and experiences with peer review technologies on Enago Academy's Open Platform, reaching an audience of over 1 million readers worldwide.

Engage with us on social media using #PRWWithEnago. Don't forget to tag @EnagoAcademy when sharing your thoughts to connect with a global community of forward-thinking scholars and researchers.

Innovation awaits – see you at Peer Review Week 2024!
